6 DAYS PRODIGIOUS CULTURAL TOUR

Number of Days: 6Days

Safari Type: Mid - range

Overview

This tour is suitable for those who are coming to trek Mount Kilimanjaro or Mount Meru (after or before trekking), or for those before or after a beach holiday in Zanzibar. You will have time to enjoy our wildlife and visit different tribes in Tanzania including the Masai, Datoga, and Hadzabe. It's a very good itinerary for those with limited time in Tanzania and who want to do a safari with a cultural tour or one among. Do not miss this enjoyable holiday.

DAY 1 – ARRIVAL

Tiem Tours and Safaris Guide will pick you on your arrival either at Kilimanjaro International Airport to a hotel in Arusha ready for the next day departure or pick you up at Arusha airport and start your tour to Mto wa Mbu.

Accommodations: Ilboru safari lodge

Meal Plan: Half board

DAY 2 – MTO WA MBU

After breakfast drive from Arusha to Mto wa Mbu.

Activities At Mto Wa Mbu;

Farming tour

In this type of tour, visitors will be shown different varieties of banana trees and other crops in the area. In addition to that visitors will be told of the old irrigation system in the area and how it is managed by the local people.

They will also have an opportunity to see different farming activities in the village and its people.

Local lunch will be provided at lunch time.

Maasai village tour

This is one of the fantastic tours visitors are advised to undertake in the village. Maasai people are people with their culture as solid as it was before western cultures to arrive in Tanzania.

Our guides will tell you a lot of the Tribe and they will make sure every aspect of the life of this tribe will be lied down by our guides; this will include venturing inside their huts which is a woman design in general. They will also dance for you when is requested and many more things that you will ask our guides will make sure you have them answered...

Lake papyrus tour

This tour is designed for a full day walking safari in the village and it involves going as close as possible to the wall of the escarpment where there are waterfalls for you cooling your body after a long walk, however, this place is inhabited by one of the smallest tribes in the country called SANDAWE and our guides will tell you about their professional at making traditional bows and arrows and how do they poison them at the tips and the herbs used for poisoning. Our guides will also describe to you, different activities performed by women of this tribe in the village and you will visit some of their homes and experience their general lives...

Accommodations: Karatu Tented lodge

Meal Plan: Full board

DAY 3 - DAY TRIP IN KARATU

After breakfast your tour guide will pick you up at the lodge/Camp start your tour around Karatu.

There you will start a hike to the Ngorongoro forest. You will take two hours hiking in the forested slopes area in the Ngorongoro conservation Area, there you will see an amazing waterfall, elephants' caves which are created by elephant digging, you may see buffalos, bushbuck, waterbuck and baboons.

In the afternoon after Local Lunch in Karatu visit the Iraqw cultural center. These is a common tribe in Karatu and Karatu is their homeland. At the cultural center one will know the Iraqw

culture, their cultivation techniques, homesteads including the underground tunnels, traditional conflicts with the Maasai and you will learn more about the Iraqw culture by interacting in their local markets to know how they run their daily lives.

Accommodations: Karatu Tented lodge

Meal Plan: Full board

DAY 4 - LAKE EYASI

After breakfast drive to Lake Eyasi a mildly alkaline lake about 55 Km long. If you're interested in bird watching Lake Eyasi is blessed with plenty of birds like Flamingos, pelicans, spoonbills, weavers, spurfowls, storks, barbets, egret and more. There will be able to visit the Hadzabe people who are known as bushmen, you will learn their culture of hunting in groups with bows and arrows for survival, they survive with what the environment provides. You will learn how they treat different diseases using their own medicine. You will visit their homesteads and learn more about them and hunt with them.

Accommodations: Lake Eyasi Safari lodge

Meal Plan: Full board

DAY 5 - LAKE EYASI

After breakfast you keep on exploring lake Eyasi area visit local fisherman and visit the Datoga tribe who are The Datoga tribe in Tanzania are a semi nomadic and pastoralist tribe of Tanzania who live in the northern part of Tanzania around the Manyara region. Datoga are also a Nilotic group of people and they live around Lake Eyasi as well as in the semi-arid areas of Tanzania. Marking on faces of the Datoga which are around the eyes are among the unique identification of the Datoga. You will see Datoga women grind maize flour in local method using stones and Datoga men doing iron smith using local methods and the other practice of men drinks honey beer on ritual occasions such as funerals.

Accommodations: Karatu Tented lodge

Meal Plan: Full board

DAY 6 - NGORONGORO CRATER - DEPARTURE

After breakfast our guide will take you down the Ngorongoro crater and experience the beauty of it and learn the interesting history of Ngorongoro where livestock, human being and wild animals interact together, also visit olduvai gauge which is a steep-sided ravine consisting of two branches that have a combined length of about 30 miles (48 km) and are 295 feet (90 metres) deep. Deposits exposed in the sides of the gorge cover a time span from about 2.1 million to 15,000 years ago. The deposits have yielded the fossil remains of more than 60 hominins (members of the human lineage), providing the most continuous known record of human evolution during the past 2 million years, as well as the longest known archaeological record of the development of stone-tool industries.

After visiting Ngorongoro our guide will drive straight to Arusha in a hotel waiting for the next day departure or straight to the Kilimanjaro International airport for departure.
